

www.friendscarrolltonlibrary.org

Help us raise funds for library programs every time you buy groceries.

When you shop at Kroger:

If you don't have a Kroger Plus Card, you can get one from the customer service desk at Kroger.

Go to www.krogercommunityrewards.com and sign in if you already have an account, or click "Create an account" and follow instructions to create an online account.

After signing in, click on "My Account", then select "Account Settings". Scroll down to see the Community Rewards section on the bottom right, and click on Edit. Enter our **Organization Number 91255**, click on Search, then select Friends of the Carrollton Public Library and click Save.

Please note: Your charity selection expires every August, so you must reselect our organization each year. You will receive a notice from Kroger when it's time.

That's it! Every time you shop with your Kroger Plus card, Kroger will donate to Friends of the Carrollton Public Library.
