- August 6th Summer reading challenge Car Parade

President's Annual Report: Cathy Stearns

Although it's been a year of the pandemic, we are happy that we will be able to have our biannual book sale this fall. Countless hours have been spent on Saturdays by board members and volunteers sorting and organizing books and hauling out trash. Despite the pandemic, we have still been able to keep up with book sorting and the library's financial needs to continue supporting various children and adult programs. Over the past year, since we were not able to have book sales, we were able to sell donated books by the box to a bookstore owner in order to support the library financially. With that note, we will have our book sale: setup will be on October 2nd, presale night will be October 6th, the sale will occur October 7th and 9th, and clean up will be October 10th.

Communications

- Book Sale email blast scheduled along with membership dues.
- Starting to develop book sale graphics to be presented at the next meeting.

Old Business

- No old business
